

【SEIZA QUIET-SITTING & DHARMA TALK ON SHIN BUDDHISM】

February, 2019

Seiza Quiet-Sitting Session is open to public in an intention to give ourselves a solid refuge of mind and body in a time of insecurity and uncertainty that we all live in.

Our mind and body will become stable by way of practicing *Seiza*, which helps us go on each moment of our lives with peace.

The *Seiza* is a posture and breathing method that let your lower back erect firmly and exhale slowly as long as possible through your nose and will put your energy into the lower belly.

These sessions are open to all and not limited to Buddhists. Please feel free to join us.
